

## LET'S MAKE ART!

Chris Rood, professional artist and teacher at St. Peter School, will guide the children in this fun adventure in hands-on art. The children will have fun tie dying shirts and pillow cases, creating papier Mache snakes, blowing paint through a straw to create pictures, making collages using a variety of items, and painting in both water color and acrylic! The children will have an opportunity to start an art journal, which the children will continue to create in long after the workshop ends. Each class is limited to 15 students. The children will need to bring a white tee-shirt, white pillow case, and an art journal.

Pat Catan's Arts & Crafts Store or Amazon is excellent sources for the journal. The children should dress to have fun and create!
