Featured Student

Grade 2 Lauren Spencer is one of our November's recipients of the Hallelujah Hornet Award. Lauren is truly a Hallelujah Hornet. Academically she always gives her best in all that she does. She has worked very hard in the area of reading and has shown so much growth already this year. Lola is a good role model for her peers. She can often be seen being a good friend to others.

Please see all our Hallelujah Hornets displayed in our Entrance Case of the school.

Classroom Fun

Today the first grade learned about crabs through a story. Mrs. Rood explained that if they wanted to learn about things they are interested in; they should go to the library and look for books on their interest. These types of books are called "non-fiction and/or informational" books. Students in all grade levels at St. Peter School are learning a great deal about reading information text as part of their curriculum to meet the State and Diocesan Standards. Not only that, one of our Accreditation goals is to increase the students' understanding of Informational Text across the curriculum.
