

St. Peter School Newsletter

Thursday folder Edition

December 14, 2017

Thank you

A very special Thank you to Father Sheridan for sponsoring our Staff Christmas Luncheon on the 19th and to Barb Vaughn for organizing the menu. It is always a pleasure spending time with this very special staff.

Also I wish to thank all of our St. Peter staff for going above and beyond to bring to our students their best teaching practices. Your display of selfless love and boundless understanding to our students continues to amaze me. I am so grateful and fortunate to be a part of St. Peter School. God Bless each of you!

Sandie Fusillo, Principal

Save the Date

We will be having an Ice Sculptor here at our St. Peter location at Canton's First Friday on January 5th. More details to follow!

School will resume on January 2nd. We Wish everyone a wonderful Christmas Season and a Happy New Year. God's Blessings

Christmas fun

Innovation

During innovation on this day, our second grade students were given materials to design and create a Christmas tree. Notice the fireplace in the background. Students work together to do Innovation activities and have much fun while learning to work together and share ideas.

Featured Student

This week's featured student is fourth grader Megan Greenhill. She exhibits the spirit of St. Peter School. Megan is a dedicated student and always tries to do her best work. She likes to be challenged as much as possible and is honest, thoughtful and fun to be around. Congratulations Megan!

Spiritual Development

Four of our second graders made the Sacrament of First Reconciliation at the beginning of this month. Congratulations to:

Grant Bing
ANTONIO PATRON
Nathaniel Pena
Evan Addressi
