MEET MY PET IN PROGRESS

Hey Hornets!

Lent is a time to open the doors of our hearts a little wider and understand our Lord a little deeper. One way we can practice this is to participate in a food drive that will take place from March 12 - March 23. We will be collecting any kind of pet food donations that will be donated to Wheels for Wags, part of Meals on Wheels, to help those who cannot afford to feed their pets.

Please bring your donations to school and place them in the designated box outside the office.

Thank you so much for your generosity!

Spreading Third Grade Kindness

The third grade students are showing kindness to other students and friends. They wrote kind words about each other to show kindness to other students and to show how to make St. Peter school a better place for everyone. The kindness notes were about their appearance, personality, heart and other character areas. Everyone in the classroom did this for every other person.

Let us pray the kindness sticks!
