Golden Apple Award 2018

Through the generosity and kindness of the Donahue Family Foundation, the *Golden Apple Award* program is again seeking nominations to honor outstanding individuals who devote their lives to teaching in Catholic schools. This award is bestowed annually on five elementary teachers, one high school teacher, and one principal currently working at one of our schools.

Candidates must be a practicing Catholic, full-time teacher or principal and have completed a minimum of three full years teaching or being a principal in the elementary or secondary school at which he/she is currently serving.

Nominations are currently being accepted at the individual schools. The letter of nomination should explain why the nominator feels the individual deserves the *Golden Apple Award* and include specific examples of the individual's unique qualities and teaching ability. Nominations are accepted from a parent, and elementary student with his/her parent, a high school student, or a fellow teacher. Please see the school for the nomination form. Completed nominations should be submitted to the school principal no later than January 12th.
