Classroom Stories

Helping Verbs

Fourth grade has been learning about helping verbs. In preparation for the quiz on these important parts of speech. Kendra Ford created a song to help her remember them to the tune of "Jingle Bells". Kendra shared her song with the whole school today during our Morning Announcements. It was wonderful.

Thank you Kendra!!

BET YOU DIDN'T KNOW

We all know the story of when the pilgrims invited the Native Americans to share a meal with them. Bet you didn't know that Thanksgiving didn't become an annual tradition until more than 200 years later. That first Thanksgiving in 1621 wasn't just one big meal, it was a 3-day festival of eating, hunting, and other entertainments in honor of the Pilgrims' first successful harvest. The Indians killed 5 deer as gifts for the colonists, so venison was definitely on the first Thanksgiving menu. Bet you didn't know that turkey was not! They also didn't have pumpkin pie or potatoes.
