Thursday Folder Edition

November 30, 2017

Thank you for Donations

Thank you so very much for all of your donations for school supplies and winter clothing for our students. You are greatly appreciated and in our prayers.

Save The Date

St. Peter School Christmas Program is scheduled for Monday, December 18, 2017 at 6:00 in the Parish. All students are expected to be present. We hope you can join us in celebrating this school-wide student Christmas performance. It is always a phenomenal event! Please look at upcoming reminders in Thursday Folders.

Inclement Weather

As winter weather is approaching, we want to remind you that if Canton City Schools are closed **due to bad weather**, St. Peter School is also closed. If the roads/weather are too hazardous for the busses and they close their schools, we will be closed as well. It will also be posted on Parent Square and many of the news channels.

Classroom Stories

Grade 2

Today, Officer Lamar Sharpe of the CCPD distributed Teacher School Supply Resupply Kits to the second grade class. Mrs. Modlin recently reached out to him after hearing that the program, "Be a Better Me" awarded many teachers from the Canton City school district these kits but had more kits than teacher requests. After a little communication, Officer delivered these supplies to the second grade class today. What a wonderful surprise!!

Our Featured Student in this week's newsletter is fourth grader Anthony Luchitz. This young man exhibits the spirit of St. Peter School. He always encourages others and tries to make sure that everyone understands class instruction.. Anthony is never afraid to ask for assistance and is honest, thoughtful and fun to be around.
